- Give God what's right – not what's left
- Man's way leads to a hopeless end – God's way leads to an endless hope
- A lot of kneeling will keep you in good standing
- He who kneels before God can stand before anyone
- We don't change God's message – His message changes us
- When God ordains He sustains
- Exercise daily – walk with the Lord
- Never give the devil a ride – he always wants to drive
- Nothing else ruins the truth like stretching it
- He who angers you controls you
- Worry is the darkroom in which negatives can develop
- Compassion is difficult to give away because it keeps coming back.

## This and That

Another fall meeting has come and gone. This one seemed special as we had waited patiently for many years for Brother Pate to come. We were not disappointed. He is still very energetic and delivers thought provoking lessons from God's word. The past week was truly a blessing for our congregation. However, due to evangelizing in Campton, my family and I were absent for the morning messages. We did stop by for the potluck meal on Sunday afternoon and enjoyed a delicious meal with everyone. As good as the meal was, I have to say the "soul food" was better. Do you remember the lessons?

Sunday night he preached on "Hope". He quoted many passages containing a message of hope. One that stuck in my mind was 1 Corinthians 13:13. Here the passage reads, "And now abideth faith, hope, charity, these three; but the greatest of these is charity." He noted how Hope keeps good company, with faith on one end and love on the other. He also told of Alexander Campbell's conversation with Robert Owen, when Campbell said the unbeliever, as the donkey, has no hope in his death.

Monday night Brother Pate spoke on "Evolution Doesn't Make Sense". He said that if a child is taught he came from a monkey and dies like a dog, don't be surprised if he lives like an animal.

Tuesday night's message was on Lazarus, Martha, and Mary. He rehearsed the story found in John 11. When Jesus heard of the illness of Lazarus, he continued in His ministry until two days had passed before going to Bethany. Our ministry is very important also and should be given the attention it deserves.

Wednesday night's lesson was on "God Loves a Cheerful Giver". Brother Pate took the time to give us a good way to memorize Bible Verses. Take a colored card (yellow for gold) and write a verse on one side with its reference on the other. Put these in your pocket and, when waiting for something, study them. Two verses a week will equal over 100 in a year. He taught that God is the greatest giver of all. It is more blessed to give than receive.

Thursday night's lesson was, "But He Was a Leper". He told how Naamon first went to the wrong place for cleansing, then secondly, he was prejudiced, and then he finally obeyed. Until he obeyed the instructions from the prophet he was still leprous. In the same way, we are still in sin until we obey the commands of the gospel.

Think about it.
