There is one thing alone that stands the brunt of life through its length; a quiet conscience.

Our conscience is one of the most precious things we possess. Through our conscience we receive inner prompting from God which, when we heed its warnings, will point us toward a safe and eternal way.

It is possible to ignore our conscience and follow the crowds, but this is a sad waste of our lives. The conscience is the window to the soul through which we hear the voice of God, Who always leads us to success and inner peace. Listen carefully, He always has something good to say!.

*If our hearts do not condemn us, we have confidence before God.

This and That

**DIVORCE WITH OR** without children \$95. With free name change documents (wife only) and marital settlement agreement. Fast and easy. Call us 24 hours/7 days, 1-888-789-0198.

Folks this is a real classified ad. It appeared in the October 22<sup>nd</sup> edition of the Mt. Sterling Advocate. I think we know stuff like this happens in our world today. However we usually think of it happening in the “big cities”. This goes to show how morally and spiritually debased our own society has become. As you can see, a divorce is offered for a relatively nominal fee whether you have children or not. (Children are an afterthought most often, unless money is involved). They’ll even help you get your name changed if you happen to be female. This is promised, “Fast and Easy”.

The Bible, God’s word, does not condone such actions. As a matter of fact, Jesus placed some stiff penalties upon those that held marriage in such low regard. The Pharisees came to Jesus with a question in Matthew 19:3. They asked, “Is it lawful for a man to put away his wife for every cause?” Jesus’ response was swift and to the point. “Have ye not read, that he which made them at the beginning made them male and female, 5. And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? 6. Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder,” (verses 4-6). They wondered aloud why then Moses commanded to “give a writing of divorcement, and to put her away?” Jesus replied that it was due to their hardness of heart, “but from the beginning it was not so”.

God’s plan is one man for one woman for one lifetime. There is an allowance for divorce, fornication; however, our goal should be to keep marriages intact. When a marriage is formed with intent to honor God and mate, this want ad will be a thing of the past. See Ephesians chapter 5. Think about it. Daniel Newell
