**This and That**

Is it important what we listen to? In the last 75 years we have gone from listening to whippoorwills on the front porch, to listening to a blue-tooth enabled earphone on the way to a business meeting. It seems as though life has gotten faster as technology has increased. Our access to information is greater than it has ever been. This is not bad of itself, but I am afraid it has reduced our ability to sift through the information as well as desensitized us to its affects. We must instantly decide what is important and what is background noise. In matters of finance, a bad decision may cost us money. In religious matters it may cost us our future. Jesus said, "Take heed what ye hear", Mark 4:24. And again, "Take heed therefore how ye hear" Luke 8:18. We should determine to establish our future by listening to Jesus. He "hath the words of eternal life" John 6:68. Listening effectively does not come naturally to most people. It must be developed patiently. We should start by listening to Jesus. He speaks through his word, the Bible.

**Please Lift Up In Prayer:**

Paul Napier, Fred Teasley, Beth Pittman, Patricia Fetters, Reva O'Hair, Anna Vires, Ellaray Campbell, Correne Hatton; Sharon Olinger; Duwain Watson, Luke and Dorothy Newell, the elderly in the church, all those on the church prayer list;  
.....*the effectual fervent prayer of a righteous man availeth much.*  
.....*James 5:16*

*Greater love hath no man..... John 15:13*
