And he replied –

Go out into the darkness and put your hand into the Hand of God.
That shall be to thee – better than a light and safer than a known way.

How to Stay Safe in the World Today:

Avoid riding in automobiles because they are responsible for 20% of all fatal accidents.

Do not stay home because 17% of all accidents occur in the home.

Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.

Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.

Of the remaining 33%, 32% of all deaths occur in hospitals. Above all else, avoid hospitals.

You will be pleased to learn than only **.001%** of all deaths occur in worship services in church, and these are usually due to previous physical disorders. Therefore logic tells us that the safest place for you to be at any given point in time is at church! Bible study is safe, too. The percentage of deaths during Bible study is even less.

For safety's sake - attend Church and read your Bible . . . it could save your life!

The Bible says that a "merry heart doeth good like a medicine"

(Proverbs 17:22).

The Dignity of Man

Do you ever go through seasons when you just don't feel your life counts for very much? Everything seems about as pointless as a first-quarter NBA score in November. People treat you with less interest than a flight attendant's lecture on oxygen masks and exit doors.

But what's easy to forget at times like these is that your value is not something other people can assign to you. They don't get to grade this. You have been given great worth by your Creator. Your significance is inborn. Think of the dignity you possess, merely by being a product of God's design. You're able to reason and make choices. You can appreciate beauty and feel emotion. You have the ability within your reach to bless others, to extend your influence and impact into another person's life.

You have even been given the privilege of communicating with your heavenly Father -- a right He wasn't obligated to offer you, but one He freely extends because of His rich, abiding love for you.

Everything about you have been "woven together" in His all-wise mind and heart. Each day of your life has been "written" down by the one who made you (Psalms 139:15-16). That's how valuable you are to Him. Instead of being bombarded by all the ways of life has mistreated you or what a mess you've made, make this a day to celebrate what God has invested in you. You are worth far more than you realize.

Pray this prayer: I do get down on myself a lot, Lord. I have a hard time imagining that You love me. Would You remind me today? I could really use that.

Wisdom reposes in the heart of the discerning, and even among fools she lets herself be known.

Proverbs 14:33
