If we don't speak out against unrighteousness then injustice will reign. By doing nothing, we actually vote for unrighteousness. We need to do something! We need to exercise our constitutional rights and vote in this election. Clearly the choice is ours!

Christians have the Spirit of God living within them. It's time they step up to the ballot box and exercise their authority to make a change in this nation. It's our God-given right and protected by the constitution, which is now in danger of being eliminated.

You will make your prayer to Him, and He will hear you, and you will pay your vows. You shall also decide and decree a thing, and it shall be established for you; and the light [of God's favor] shall shine upon your ways. Job 22:27-28

Jesus, I will stop worrying about what I don't have. Today I will give praise and find ways to multiply the talents I do have.

It is once again time to begin planning for our Fall Revival. Plan to attend each night and bring someone with you. This years Fall Revival speaker is Bro. Phillip Blankenship. November 4-7. 6:00 p.m. on Sunday; 7:00 p.m. Monday through Wednesday.

**I asked
the Lord to bless you**

As I prayed for you today.

To guide you and protect you

As you go along your way....

His love is always with you,

His promises are true,

And when we give Him all our cares,

You know He will see us through.

Remember the first time you ever had a white hair...maybe in your eye brows?

That's probably the moment that you realized that you're truly getting older.

You see, lots of people today are finding ways to prolong their lives and renew their youth. But for us Christians, God has promised a sure way to renew our youth. In Proverbs it says...

"Do not forget my teaching, but keep my commands in your heart, for they will prolong your life many years and bring you peace and prosperity" Proverbs 3:1-2, NIV

That's God's promise to you.

Here's the thing God didn't say that you'll just have a long and ordinary life. He wants you to have a peaceful and prosperous life. A kind of life that this world can't give you.

That's why it's so important to keep His Words as top priority in your life.

Today, choose to keep His commands through memorization and meditation of scriptures. You'll then enjoy His peace and prosperity all the days of your life.

Intelligent people recognize Intelligent Design (God).
