This and That

Hello my faithful brothers and sisters. We have something to be thankful for today. Among the many things you are already thinking of, just let me say that we have an awesome God! He is the creator of all things and truly in him we live and move and have our being for we are the offspring of God. Our God must be glorified by his creation. The word ‘glorify’ means *to praise, magnify, honor, celebrate*. We should continually glorify our God. Many reasons to do this exist for, indeed, “the earth is full of the goodness of the Lord,” Psalms 33:5. There are several ways in which to glorify God. Let me name a few.

We can glorify God by praise. Singing psalms, hymns, and spiritual songs unto him glorifies him before men. We may also do this by simply telling others about what the Lord has done for us. Psalms 22:23 states, “Ye that fear the Lord, praise him; all ye the seed of Jacob, glorify him; and fear him, all ye the seed of Israel.”

We may cause glory to be given our God by performing good works. Visiting the sick, feeding the hungry, clothing the naked, providing shelter for the homeless, easing the burdens of another are all good works. However something as simple as a kind word or meaningful smile or listening patiently to another are good works as well. Jesus said in Matthew 5:16, “Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.”

We also cause glory to God by consecrating our entire being to his service. We must not keep anything back from our service to the Lord. You see, we belong to God and everything God made glorifies him. So should I. Paul makes the following statement in 1 Corinthians 6:20, “For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God’s.”

God deserves our best. We should be extremely thankful to serve our God and Lord Jesus Christ daily. Think about it.
