This and That

Americans today are encouraged to invest their assets in hope of a greater long-term return. There are many brokers and journals competing to assist you. Each of us *should* take a closer look at our *most valuable* assets and determine to invest.

The Church and Family are two great assets God has given us. These are greater assets than our money and much more worthy of investment. "*Christ also loved the church and gave himself for it*" Eph. 5:25 *Whoso findeth a wife findeth a good Thing*", Proverbs 18:22. *That they may teach the young women... to love their husband*", Titus 2:4. *the glory of children are their fathers*", Proverbs 17:6. *Children are an heritage of the Lord, the fruit of the womb is his reward*, Psalms 127:3. Both Church and Home are designed to nurture life, our greatest asset, and is certainly worth investing our time and energy. God's Word promises an eternal gain when investing in these *heavenly* assets! Daniel Newell
